

Lesson 4: Using the technology

	Activity	Teaching points and techniques	Evaluations and examples
Introduction: 10 minutes	<p>Students have learnt and demonstrated throwing, catching and punting.</p> <p>Explain the task (Task outline in filming section)</p> <p>Show students the YouTube videos from the teacher's recourse to give the students an idea of what they are required to do.</p>	<ul style="list-style-type: none"> • Briefly go over each skill • Hand out a sheet with the three skills learnt and correct techniques • Have students share ideas of how they could film the skills • Refer to the videos 	<ul style="list-style-type: none"> • Example sheet with skills and techniques
Filming: 25 minutes	<p>Task: Put students into groups of three</p> <ul style="list-style-type: none"> -Each student in the group will demonstrate all three skill - students take it turn of filming - everyone performs each skill - each students gets a chance to film 	<ul style="list-style-type: none"> • Students film on the oval • Keep them in close proximity • Walk between groups to check they are on the right track • Assist when needed 	<ul style="list-style-type: none"> • When performing the skills, students will be able to refer to skills and technique sheet
Evaluation: 25 minutes	<p>After students have filmed they will be able to upload it onto the computer.</p> <p>As a group they will evaluate their own and their peers performance</p>	<ul style="list-style-type: none"> • Will help gain improved knowledge of skills • Assist groups in identify correct and incorrect techniques 	<ul style="list-style-type: none"> • Evaluate students by how they are able to evaluate themselves performing skills as well as their peers • Have a sheet where students can evaluate each person in there group and themselves.

In the next lesson students will take what they have learnt, into playing the game. They will then be assessed on the skills gained.
